

BASEBALL STARTS IN THE SUNNY SOUTH

New Orleans, La., March 5.—Playing at Heineman's (Southern League) park, the Leland Giants defeated the Caulfield "Ads," erstwhile city Negro champs, in a brilliantly played game here last week. The game was the last of a series of three, and each team played remarkable defensive ball. The fielding of Dave Malarcher, Roth's throwing and catching and Robertson's pitching were the features. The Lelands scored the only run of the game in the fifth, when Handy singled, stole second and scored on Davis' clean hit to left field. The weather was ideal and fully 1,500 persons witnessed the contest. Horner also pitched well, allowing six hits to "Left" Robertson's four. The Lelands won two of the three games played, and today's game

was probably the last one in which Infielder Malarcher will be seen here, as he is to leave shortly for Chicago to join Rube Foster's American Giants.
