

Foster's Crew Puts Kibosh on Chicago Giants

Waiting Pitchers' Control Goes Bad and Rube's Gang Piles Up Big Lead

BY CAPTAIN JAMES H. SMITH

The American Giants and the Chicago Giants of Chicago hooked up in their annual scrap last Sunday at Schorling Park and, as always, interest was at fever heat. The largest crowd of this season turned out and the bantering was continuous throughout the contest. Joe Green has a pretty good team together this year and with a little more team work should make good around the circuit. Walter Ball, the old reliable, was wild as a March hare and put his team at a great disadvantage right at the start and they never recovered, especially while Dave Brown was on the rubber.

they simply could not see his offerings. When Tom Williams ascended the mound they seemed to take a liking to his curves and started to pound them around the lot, but were too far behind to catch up.

Malarcher and DeMoss were the stars with the willow, each securing three hits. Torrienti, who, by the way, had just arrived in town Saturday, crashed a loud double to right center in the third inning. This was the hardest

hit ball in the game. Next Sunday the Dayton Marcos will oppose the American Giants and the fur will fly, as the Giants are still smarting from that 4 to 0 defeat handed them by this team last year and are out for sweet revenge.

Following is the box score of the game:
