

B'S TO LEAVE HOME GROUNDS FOR ST. LOUIS

**Maxwells and Olympics to
Hold Board at North End;
Fans to Accompany B's**

(By Schull.)

The B's will leave their home ground for the first time of the season Sunday when they go to St. Louis to meet Chas. Mill's Colored Giants at the St. Louis Giants Park at 6000 North Broadway.

A large crowd of the B's followers are planning to make the trip to witness this great game. A great number will meet on the Public Square, leaving on the 1:00 o'clock car which will get them over there in plenty of time to hear Chas. Mills' brass band play a piece or two before the game, and when umpire Busch cries "Play Ball," all the Belleville fans will be ready to cheer their favorites to victory.

All parties going over in machines are kindly requested to meet at Ben Reissens Saloon at 100 N. Illinois street at 12:30 to get lined up and go over in a body. Come on boys, bring out your machines, swell the crowd and cheer for the home boys. Manager Mills will have his brass band out to meet the Belleville delegation.

Harry Latina, the well known

pitcher who has just returned from a successful season in the Wisconsin State League, will be on the firing line and with the addition of Mickey Keno and Cotton Rodemeyer on the infield the H's will form a combination which the colored boys will find hard picking.

Game is called for 3:15 p. m. Umpire Busch who has performed in the Big League will officiate.
