## CUBANS IN HARLEM.

**Famous Havana Nine Plays Lin-  
coln Giants To-day.**

The Cuban Stars, who always are sure to jam Olympic Field to overflowing, will play another double header at the Harlem ball ground this afternoon. The Cubans will face the Lincoln Giants in both games and some hot competition is expected. Joe Williams will pitch the feature game for the home club.

The Cubans will have Suarez and Padrone in the box. Suarez holds a decision over the Lincolns and unless they are in rare batting form he is likely to make it two. The Cuban Colony Club will turn out in force for the game.

Included in the Cuban lineup are such stars as Drake, Padrone, Calderen, Lucas, Raminas and Suarez.

## **BUSHWICKS' STRONG BILL**

**Meet Westinghouse Nine and Earle's Red Caps To-day.**

The Westinghouse Electric, one of the strongest industrial nines in this neck of the woods, will play a return engagement with the Bushwicks at Dexter Park, near the Cypress Hills elevated station, this afternoon. Several weeks ago the Westinghouse club won over the Bushwicks by 2 to 1, with Brown and Kyle having the better of Hageman.

In the first game of to-day's double header the Bushwicks will tackle Earle's Red Caps, who have been playing great ball in recent games. The Red Caps have just returned from a successful trip through Pennsylvania. The team has on its roster several former stars of the Royal Giants.
